

## Pest Control Technician

**Bell Environmental is growing and seeking full-time pest control technicians to serve commercial clients located in the NYC Metro footprint.** Bell is headquartered in Northern New Jersey. The position will require driving in and around NYC.

This is a great opportunity for a long-term career, and to learn and grow with a pest control industry leader in business for 60 years. Bell serves prestigious and discerning clientele throughout the NYC Metro area- such as: medical facilities, high end residential buildings, universities, research labs, entertainment complexes, food processing plants and more. **Applicants must have a solid work history with verifiable references, a valid driver's license and meet the following requirements:**

- Ability to communicate with customers effectively
- Ability to write detailed pest control reports
- Physical ability to lift equipment weighing 50 lbs., repeatedly kneel, bend-over and reach overhead
- Willingness to drive in NYC and surrounding area
- A pre-employment drug test and background screening will be performed on all new hires

**Prior pest control experience is desired with a preference for licensed pesticide applicators with NY and/or NJ license(s).** Applicant must be consistent, interested in pest control and open to learning new things. We offer paid training and will cover the cost of maintaining your license as long as employed for the company.

*Responsibilities include:*

- Running a daily route where you will solve client pest issues
- Maintaining company car and equipment in proper working order
- Mixing, applying, and working with pesticides according to state and federal laws
- Following safety procedures and wearing personal protective equipment
- Working Monday – Friday; with opportunities for overtime on evenings/weekends

Founded in 1963, Bell Environmental Services is an innovator in providing environmentally responsible commercial and residential pest control, detailed bed bug control and inspections led by Roscoe the Bed Bug Dog. In addition to working as part of a solid team, Bell Environmental offers the following benefits:

- *Competitive Starting Salary reflecting relevant experience and licensing.*
- *Opportunities for overtime pay*
- *Opportunities to earn commissions and bonuses, in addition to regular pay*
- *Study materials and payment of state licensing*
- *Monthly cell phone stipend*
- *Paid vacations and holidays*
- *Medical, dental & life insurance*
- *401(k) with company match*

A great opportunity to learn and grow in a stable company, with a positive work environment– our commercial pest control technicians have worked for our company an average of 12.5 years, with many exceeding 20 years of employment!

**Please note: this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice.**

Job Type: *Full-time*  
Schedule: *Monday to Friday*

Benefits: *401(k) plan with match, Health, Dental & Life Insurance, Paid Time Off*
